ER-1-2015

18 AUG 1950

STAT

Thank you for your letter of 14 August indicating your desire to be of assistance to this Agency.

Your retirement status has a major bearing on whether we can consider you for employment by the Agency. If the retirement was based on physical disability incurred in the line of duty, it would be possible for us to employ you, provided you were willing to forfeit your retirement pay during a period of such employment. If retirement is on any other basis, the law prohibits us from even considering your employment.

If you will clear up this point for us we will then, if appropriate, provide you with the required forms for application for employment by the Agency and inform you as soon as possible after receipt and review of such forms as to whether we have a suitable vacancy which you might be processed to fill.

I do remember our service in the Canal Zone and appreciate your remembering, and the interest which prompted your letter.

Sincerely,

STAMP - disp via ER 8/18/50.

R. H. HILLIKOETTER
Rear Admiral, USN
Director of Central Intelligence
